TOYO
SANITARY WARES

"Since 2008 through continuous experimentation and innovation, TOYO is now one of the most trusted brands known for 'Complete Bathroom Solutions'. We have our manufacturing unit equipped with latest technology machines to ensure micro perfection of each and every product. Our constant endeavor is to innovate and reinvent ourselves ahead of times and be an expert companion to the consumer in their journey from inspiration to implementation in the bathroom space.

We are proud to say that we are one of the largest manufacturers of bathroom vanities across India. TOYO offers a vast variety of products ranging from minimalistic to luxury that meets the international standards and latest trends so you can have the dream bathroom you desire at affordable prices. Our motto is to take sanitarywares into a new era of affordable luxury.

The success of TOYO is also driven by the fact that the company supports its products with an excellent after sales service network.

Our quality control team ensures that each and every piece of our products goes through stringent quality checks and not only that - the quality every raw material has to meet specified international parameters. We are committed to make superior quality products with excellent finishing and aesthetic designs that will make you feel proud as an owner of TOYO products.

The company has it's presence all across India and is also expanding it's international network. Owing to our offered high quality product range, we have become the foremost choice of our respected patrons. With the rising opulence and changing lifestyle of Indian Elite, Toyo has brought a tremendous change in the Sanitaryware Industry.

IMPORTANT

Graphics size & physical size of the products may vary slightly, TOYO reserves the right to modify or discontinue the models without prior notice. Due to printing, Color of the actual products may be slightly different from the picture shown. Everything is subject to actual product. We apologize if any size, model no. or color of the product is printed wrongly in the catalogue by mistake.

"A satisfied customer is the best business strategy of all."

Michael LeBouf

I believe, to achieve any success, sincerity must be total and absolute. Improvement is a continuous process and present achievements must lead to greater accomplishments in the future.

We are continuously experimenting and expanding with the new changing technology which ensures that the products are of highest quality and aesthetically pleasing. The products which were earlier imported are now moving towards our manufacturing plants in India with improved standards.

As Coco Chanel succinctly puts it, "In order to be irreplaceable one must always be different." We are proud to say that we are one of the largest manufacturers of bathroom vanities with such an extensive and exclusive variety around the globe.

We consistently strive to develop and upgrade our products with continual micro analysis of each and every function, finishing and packaging so every user feels satisfied with their purchase to the fullest.

I am entering Sanitarywares into a new era of Affordable Luxury so maximum people can relish it. Along with that we believe in providing prompt after sales service.

In my thought, best quality, prompt after sales service and affordable prices are the key points to success any business and the right track.

Finally I strongly believe 'Honesty is the best policy' in all aspects.

TOYO®
SANITARY WARES

Ceramic Art Basins

Practicality, Beauty & Uniqueness
is the Hallmark of TOYO

Features :

Use of Finest Raw materials - Purified, Tested & Certified.
High Tempered Firing & Latest Technology of Finishing are used.
Use of Adavanced German Technology .
Each Product goes through stringent Quality check.
Excellent Packaging with 7 Layers Carton & 6 Sides Foam.

Unique Feature :

Every piece goes through a very complex process of double firing. Firstly it's fired at 1200˚c followed by 2nd firing at 600˚c. This gives our basins extra brightness & longetivity.

Brushless Motor

Item No	Voltage	Frequency	Power	Motor	Air Speed	Waterproof	Drying time	Weight
TOYO-1331	110V-240V	50Hz-60Hz	900+900PTC	Brushless	102m/s	IPX4	7 Seconds	12KG
Product size:670*305*255mm				Packing size:750*385*320mm(1pcs)				

1 .Equipped with digital brush motor 35000 RPM

2.High grade HEPA Filter reduce bacteria from air

3.Big Drying Area

4.Intelligent sensor,which informs you when it's need to be emptied.

5..Stainless steel baseboard lifetime are longer than plastic

6.12V low voltage intelligent switch -choose warm/cold air ,ON&OFF in one button.

7.Overload, Overheat,Over current protection .

8. Brushless PCB Requires Higher Electronic Components & Mostly Electronic Components are from Germany.

TOYO-1332	110V-240V	50Hz-60Hz	750+900PTC	Brushless	100m/s	IPX4	7 Seconds	11KG
Product size:300*220*687mm				Packing size:360*282*760mm(1pcs)				

Spec:

1. Equipped with digital brushless motor 22000 RPM(Produced by equipment)
2. 12V low voltage intelligent switch -choose warm/cold air ,ON&OFF,air speed adjust in one button
3. Blue LED Light .to be easily use in dark.
4. Hi/Low voltage isolator in PCB
5. overheat overload over current protection
6. Brushless PCB Requires Higher Electronic Components & Mostly Electronic Components are from Germany.

Model	1322 • High Speed
Material	SS304 Mirror Finish
Size	W295xD171xH325 mm
Power	1800 Watt
Voltage	220V (50Hz-60Hz)
Current	7.0A
Air Speed	>90 m/s
Drying Time	7-9 Second

Model	1312
Material	SS Brushed Matt Finish
Size	W265xD125xH205 mm
